Jake Strong

"Philadelphia and New Jersey family magician"

Based in New York | Stage Magic

Biography

Jake Strong took his first magic lesson at thirteen and has been honing the craft ever since, bringing his show to thousands of people across the country before he was twenty. He has performed onstage at The Golden Nugget in Las Vegas, on NBC TV alongside America's Got Talent finalist Jon Dorenbos, and for director M Night Shyamalan.

His wholesome style works on the whole room at once: adults cannot figure out how the tricks are done while kids are cracking up throughout. Every show is built on interaction rather than a collection of card tricks, shaped around the guests in front of him. Jake works across the tri-state area, from Philadelphia and New Jersey to Delaware and New York, and is a natural fit for children's parties, christenings and communion celebrations, and family nights out.
