

Jan Reinder

"Dutch magic, movement and keynote ideas that shift perspective"

Mentalism | Stage Illusion | Stage Magic

Biography

Jan Reinder is a Dutch illusionist, keynote speaker, trainer and moderator who uses magic, humor and physical theatre to make ideas about creativity, growth mindset, influence and technology memorable. His official site records more than twenty years on international stages, television appearances including Fool Us and a long corporate client list. Reinder offers intimate and arena-scale shows, business presentations, workshops and polished emcee work tailored to an organization's message. A direct email and phone support active bookings in the Netherlands and internationally, while no specific current home city is clearly stated.
