Jason Bishop

"Illusionist and comedy magician, the Poconos"

Based in Tannersville | Close-Up Magic | Stage Illusion | Stage Magic

Biography

Illusionist Jason Bishop brings cutting edge magic, comedy and illusions to the Pocono Mountains with Straight Up Magic, an ongoing run of live shows at Camelback. Guests glide past the red velvet ropes into an intimate 190-seat theater where every seat feels close to the magic, with a red carpet step-and-repeat for photographs before the lights go down.

When they do, the illusions don't only stay on stage: they cross into the audience and unfold in plain view, and guests may find themselves part of the show. Hundreds of 5-star reviews across TripAdvisor, Google and Viator single out the laughter, wonder and memories shared with family and friends. The show is built for couples, families and employee outings alike.
