

Jason Lam

"Toronto comedy magician"

Based in Toronto | Close-Up Magic | Comedy Magic | Corporate Events | Kids & Family

Biography

Jason Lam is a Toronto comedy magician serving the GTA, mixing modern, interactive magic with sharp comic timing. After 11 years in corporate life he traded a bank desk for a deck of cards, and has since worked with brands including Cineplex and Pizza Hut.

Much of his magic happens right in guests' hands: high-energy walkaround that loosens people up during networking or cocktail hours, or a feature set where everyone stops and watches. He also plays public shows for crowds of 500+ people, and shapes the tone and energy around the room in front of him. Award nights, holiday parties, conferences and product launches all suit him, as do weddings, birthday and anniversary celebrations, and a bachelorette show mixing unfiltered relationship comedy with magic.
