

Javi Rufo

"Got Talent Golden Buzzer, Madrid magician"

Based in Madrid | Kids & Family | Parlour Magic | Stage Magic

Biography

A professional magician since 2004, Javi Rufo has collected national and European awards and a Premio Mundial de Magia, earned a Golden Buzzer straight to the final on Got Talent España, and left Penn & Teller without an answer.

His Madrid seasons have filled the Gran Vía, drawing more than 350,000 spectators: a family show in which the children are the protagonists, more than ten seasons strong, and the most mischievous adult magic show on the Gran Vía, different every night. He also performs close-up, pairing magic with real stories and fine dining, and designs immersive galas and undercover-character appearances for companies. The mix is humour, elegance and astonishment, built on the belief that magic lies not in the tricks but in the people.
