"Atlanta comedy magician"

Based in Atlanta | Comedy Magic | Corporate Events | Kids & Family

Biography

Jeffini is an Atlanta comedy magician who builds shows around magic, laughter and audiences of every age. The act travels easily between parties, corporate events, schools, birthday party magic shows, fundraisers, summer camps and family events, working just as well for a hall full of children as for a room of adults and families together.

Church work is a large part of the calendar: churches love his shows for children or the whole church family, and he presents Christian-themed magic shows alongside outreach programs, VBS programs, shows for pre-schools, parent nights out and summer camps. School assemblies and fundraisers round out the mix, always with the same combination of comedy and close-at-hand wonder that makes the magic land for every age in the room.
