

Jimmy C

"Award-winning close-up magician"

Based in Pembroke Pines | Close-Up Magic

Biography

Award-winning close-up magician Jimmy C performs inches from his audience, turning cards, coins and borrowed objects into moments people replay for the rest of the evening. A 5-Star Google rated entertainer, he builds the show around the small circle of guests in front of him rather than a distant stage.

Born and raised in Rochester, New York, Jimmy C has entertained throughout the world and now works across Fort Lauderdale, Boca Raton, Pembroke Pines, Miami, West Palm Beach and the surrounding areas of Florida. Close-up magic of this kind travels well between tables and mingling guests, which makes it a natural fit for weddings, galas, company parties and private celebrations where the entertainment needs to come to the room.
