

Jo De Rijck

"Belgian family comedy magic starring a remarkably thoughtful chicken"

Comedy Magic | Mentalism | Stage Magic

Biography

Jo De Rijck is a Belgian magician and family entertainer whose signature partner is a mind-reading chicken. His official site offers distinct programs for children, schools, mixed-age audiences, teenagers and adults, combining colorful stage magic, music, comedy and extensive audience interaction. De Rijck brought the chicken act to Penn & Teller: Fool Us and continues to market a busy professional schedule across Belgium. Direct email and phone contacts support active bookings, with formats tailored to schools and public or private events. The site does not clearly establish one current home city, so the profile should remain country-level.
