

Joe Lyons

"Family-friendly comedy magician and storyteller"

Based in Columbus | Comedy Magic

Biography

Entertaining audiences since 1987, Joe Lyons performs a self-contained show of 20-45 minutes of magic, laughter and mesmerizing tales, set to music and built around audience participation and family friendly comedy.

The show unfolds as a journey through childhood memories on a dairy farm, where stories from grand dad's farm meet captivating illusions and, best of all, the astounding appearance of old time milk bottles, full of milk, from thin air. Audiences report lots of giggles from the kids and even the adults, and describe the result as wholesome family entertainment for the young and not so young. Because everything travels with him, the act fits community gatherings, family celebrations and events where several generations are watching together.
