"Los Angeles comedy magician"

Based in Los Angeles | Close-Up Magic | Comedy Magic | Corporate Events | Virtual Shows

Biography

Joel Ward is a Los Angeles magician whose act blends comedy and magic, performed hundreds of times a year across private parties, corporate events, weddings and casinos.

Born and raised in San Diego, California, Joel started presenting magic as a kid and was soon performing for corporate events, private parties and weddings - the experience behind a show built to hold a room of guests as easily as a small circle of friends. He has also added virtual magic to his repertoire, presenting shows over Zoom for audiences gathered on screen rather than in one room. From casino floors to wedding receptions and company celebrations, his magic is designed to be watched closely and laughed at often.
