

John George

"Award winning sleight of hand magician"

Based in Los Angeles | Close-Up Magic | Corporate Events

Biography

Award winning sleight of hand is only half of what John George brings to a room; his engaging personality and sense of humor keep guests laughing out loud between the astonishments.

A magician for over 20 years, he performs everything from large scale stage performances to intimate cocktail hours, and has built a highly interactive virtual show that gives the audience the sense of being only an arms distance away. That hour includes a look behind the secret doors and hidden passages of his private theater, The Harrington, a magic trick for guests to learn, and a closing Q & A of interesting stories - among them his command performance for Sir Paul McCartney. Equally at home at a private party or corporate event.
