Biography

John Kinney is an Orlando magician whose interactive magic works a room from cocktail hour through dinner, using rapport and skill to surprise and amaze. His stated aim is elevating the way audiences see and feel the Art of Magic, evoking something emotional as well as astonishing.

Hosts describe "amazing sleight of hand and quick-witted presentation" and a "flawless combination of magic and humor" that leaves guests gasping at once from disbelief and laughter. One corporate holiday party booked him for walk around magic during the cocktail hour and then entertainment at the table, more than two full hours in a private dining room. He has performed parlor magic in NYC and virtually for teams joining from all over the globe, and works corporate events, private parties and weddings throughout Orlando and Central Florida.
