

John Lewit

"Award-winning Las Vegas magician"

Based in Las Vegas | Comedy Magic | Stage Magic

Biography

John Lewit is a Las Vegas magician offering family and library programs built around visual magic, comedy and audience participation. His performer-controlled site provides dedicated show information together with a direct phone number and email, supporting current professional availability in Nevada. Lewit also appeared on Penn & Teller: Fool Us with a playful cup-and-ball presentation. The strongest indexed source is focused on library work rather than a comprehensive biography, so the profile should avoid adding unsupported awards, touring claims or broader service territories until the performer supplies them.
