Biography

Award-winning magician Jonah Babins specialises in interactive sleight of hand - magic that happens in guests' own hands, making them the stars of the show. He is the recent winner of the Alan Slaight Award for Canadian Rising Star in Magic, and has been featured on Penn and Teller's Fool Us, Breakfast Television and in The Toronto Star.

Performing in hundreds of shows a year with the Toronto Magic Company, whose clients include TD, CIBC, Kellogg's, Dell, Bell and Mastercard, he works group to group during cocktail hours and takes the stage for larger crowds - corporate events, weddings and private parties across Toronto and the GTA. Away from events he hosts Discourse in Magic, a podcast with more than a million downloads worldwide.
