

Jonnathan Degracia

"Las Vegas wedding officiant and magician"

Based in Las Vegas | Close-Up Magic | Corporate Events

Biography

Jonnathan Degracia works both sides of a wedding day, serving as a Las Vegas wedding officiant and a walk-around magician: he can lead the vows and then move through the room once the ceremony is over.

His magic is built on sleight of hand and performed inches away, with the moment of astonishment often landing in a guest's own hands rather than on a distant stage. That makes for a string of small, personal reactions spread across a reception instead of one big set piece, filling the gaps between courses, speeches and photographs. Degracia performs at weddings, corporate events and everyday gatherings, blending the heartfelt side of a ceremony with close-up magic and easy charm.
