

Josh McVicar

"St. Louis comedy magician and hypnotist"

Based in St. Louis | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Josh McVicar is a comedy magician and hypnotist based out of St. Louis, Missouri, with an act that pairs magic with hypnosis and is billed, plainly enough, as hilarious.

Both halves depend on the room: the magic invites guests to watch closely, while the hypnosis puts volunteers at the centre of the entertainment. Josh McVicar offers a variety of magic and hypnosis shows for corporate audiences and colleges, high schools and kids' shows, local events and private parties, shaping the material to the occasion - a company party, a campus booking or a family celebration.
