"NYC magician and mentalist"

Based in New York | Mentalism

Biography

In a world dominated by viral clips, filters, and digital tricks, Josh Pele has built something far more enduring: real human connection. The New Jersey-based magician and mentalist has quietly become one of the most respected names in contemporary magic-not by chasing spectacle, but by mastering something far harder: presence. In 2025, this approach earned him Magician of the Year honors from New York Today, cementing his reputation as a performer who is shaping the future of magic, rather than dwelling on nostalgia. Pele's magic doesn't rely on smoke, mirrors, or video edits. It relies on people.

Josh Pele is redefining the art of magic, crafting experiences that go far beyond traditional performances. Known for his dynamic blend of mentalism and illusion, Josh creates immersive moments for audiences worldwide. From A-list celebrities to high-profile corporate events, his performances have earned him features in Forbes, Bloomberg, and Daily Mail. His list of clients includes 50 Cent, Jaden Smith, Usher, A\$AP Rocky, and Mike Tyson.
