

Josh Weidner

"Nationally touring corporate comedy magician"

Close-Up Magic | Comedy Magic | Corporate Events | MC / Event Host

Biography

Josh Weidner is a nationally touring corporate event magician whose interactive comedy magic is built around the audience rather than a script, so the volunteers become the stars and guests leave with a story worth retelling.

His mingling magic, sometimes called strolling magic, happens right in guests' hands during cocktails and receptions, breaking the ice fast and getting the room talking before the program begins. The Comedy Magic Show adds mindreading and laughter for a full room, and Josh can also host and emcee the whole evening, keeping the night on schedule and the energy up from the welcome to the final toast. Galas, fundraisers and corporate holiday parties all suit the act, and corporate clients have left five-star reviews, one calling it clean, magical fun.
