"Award-winning magician"

Based in Weston | Close-Up Magic | Stage Magic

Biography

Award-winning magician Joseph took first place in both the Stage Division and the Close-Up Division of the Society of American Magicians New England Magic Contest, and his act is rapid-fire fun - hocus pocus with a hint of humor, built on wit and wizardry.

Working across South Florida and far beyond, he has performed at Boston Symphony Hall, Faneuil Hall, the Grand Ball Room of the Fairmont Copley Plaza, the DCU Center in Worcester, the Ritz-Carlton in Miami and Seminole Casino in Coconut Creek, as well as in Japan, Sweden, Denmark, England and the Bahamas. Private audiences have included Aerosmith, Ray Bourke and Scottie Pippen. A past-President of the Society of American Magicians Massachusetts Assembly #16, Joseph suits birthday parties and special events for all ages.
