

Kane & Abel

"London comedy magic duo"

Based in London | Close-Up Magic | Comedy Magic | Stage Magic

Biography

Kane & Abel are twin brothers performing comedy stage magic and close-up magic, an act they have been refining since the age of just 15 - giving them a modern, youthful show backed by almost two decades of entertaining audiences of any age and size.

These twin tricksters are a regular feature on luxury cruise ships and in theatres, pubs and clubs across the UK, and have become cult heroes at the Edinburgh Fringe Festival, where their shows Breaking The Magicians' Code, SPLIT EGG, Twinpossible and The Two Magicians drew critical acclaim. Based in London and Shropshire, the duo work equally well as a comedy magic stage act for a theatre or party crowd or as close-up magicians moving among guests.
