

Keelan Leyser & Matt Daniel-Baker

"The Digital Illusionists - technology magic duo"

Mentalism | Stage Magic

Biography

Keelan Leyser and Matt Daniel-Baker perform together as the Digital Illusionists, a British technology-magic duo combining sleight of hand and psychological illusion with iPads, drones, virtual reality and other digital effects. Their official act site presents the joint stage show and a dedicated international booking route. Fool Us billed the pair under their names; this profile represents their continuing Digital Illusionists partnership.
