

Keelan Leyser

"Award-winning Las Vegas tech illusionist"

Based in Las Vegas | Close-Up Magic | Corporate Events | Stage Illusion

Biography

Award-winning illusionist Keelan Leyser is a pioneer in technology magic, building routines around iPads, drones, virtual reality, robots and artificial intelligence. He was voted both British Magic Grand Prix Champion and British Magic Champion of General Magic by his peers at the world's largest magic convention in Blackpool, England, and has since performed in over 60 countries and appeared on more than 100 television shows, among them Masters of Illusion and Penn and Teller Fool Us.

The stage show is a blend of fun audience participation and illusions using multiple iPads, VR, holograms and drones. A British magician who moved to Las Vegas in 2018, Keelan performs at corporate and tech events worldwide, from a close-up strolling magician for a party to a grand scale illusion show, and is a regular keynote speaker at futurist conferences.
