

Keir Royale

"Award-winning Denver children's magician"

Based in Denver | Comedy Magic | Kids & Family

Biography

Award-winning magician Keir Royale builds an interactive comedy magic show around a single idea: the children, not the props, become the stars. Visual magic, audience participation, age-appropriate comedy and balloon art keep young guests locked in - one family reported 30 balloon animals on top of the show - while the parents laugh along.

Keir has performed for thousands of children and adults at birthdays, schools, fairs, weddings, private events and corporate gatherings, including events for companies such as Disney and McDonald's, and has received The Bash/GigMasters Rising Star recognition for four consecutive years. From living-room birthdays to full school assemblies he adapts the scale, performing throughout Denver, Aurora, Lakewood, Highlands Ranch and surrounding Colorado communities.
