

Keith Kong

"Orlando mentalist and keynote speaker"

Based in Orlando | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Mentalist, keynote speaker and corporate entertainer Keith Kong draws on psychology, persuasion, criminal profiling and intuition to build a mind reading show unlike anything else on a company stage. Thoughts are named, choices are anticipated, and guests find their own instincts turned into the evening's entertainment.

Based in Orlando, Florida, Keith has been seen at company events around the world, and his work moves easily between the ballroom and the boardroom: corporate shows, conferences, private parties and luxury experiences all sit within his range. He also performs remotely, including the Halloween-themed virtual show "Soothsayer". For organisers looking for an act that flatters an audience's intelligence rather than talking down to it, he is a natural fit.
