

Ken Salaz

"New York City Mentalist and Magician"

Based in New York | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

A mentalist and magician based in New York City, Ken Salaz has spent more than three decades astonishing audiences at corporate events, private gatherings and exclusive venues worldwide, with television appearances on Late Night with Jimmy Fallon and The CBS Early Show.

Using sleight of hand and psychological illusion, he reveals memories, thoughts and decisions that guests have never spoken aloud, and personal belongings might disappear without detection. Structured stage moments give way to immersive interaction throughout the room, and hosts can choose a stage performance, a strolling set in the crowd, or a combination of both. Ken performs more than 250 events each year, for Fortune 500 companies such as IBM, Google and JPMorgan alongside private hosts and VIP audiences.
