

Kevin Micoud

"French corporate mentalism pairing psychology with holograms and AI robots"

Based in Grenoble | Mentalism | Stage Magic

Biography

Kevin Micoud is a Grenoble-based French magician and mentalist specializing in corporate events and modern technology-led performance. His official site offers a complete touring show, close event formats, team-building challenges and a behavioral keynote drawing on neuroscience, language and memory. Current concepts include a customizable hologram mind-reading act and performances with humanoid AI robots, alongside television work including Penn & Teller: Fool Us and international Got Talent editions. Direct French and international phone numbers, email and an enquiry form support active bookings across Grenoble, Lyon, Paris and farther afield.
