

Kevin Viner

"Corporate mind reading shaped by psychology, mathematics and quick comedy"

Based in Encinitas | Comedy Magic | Corporate Events | Mentalism

Biography

Kevin Viner is an American corporate mentalist whose interactive shows combine psychological observation, mathematics, comedy and subtle influence. His official site documents more than twenty years of professional work, more than 120 events annually and audiences ranging from private homes to major arenas. Viner has performed for international companies and celebrity clients and appeared on Penn & Teller: Fool Us, Masters of Illusion and other national programs. The performer-controlled booking form supports direct corporate, private, theatre and emcee enquiries worldwide. A dependable current home city and public booking email are not stated.
