Based in Los Angeles | Close-Up Magic | Corporate Events | Mentalism | Stage Illusion

Biography

Magician and mentalist Alexzander Schwartz performs as Lex The Illusionist, trusted by LA event specialists to bring groups of people together. His range runs from big stage illusions to close-up card tricks, and he prides himself on connecting with an audience first and finding a common language.

Lex has worked with top Las Vegas headliners and performed at red-carpet events, NBC productions and major award ceremonies. He believes magic is more than just tricks - it is about creating moments of wonder that leave a lasting impact, whether on stage or teaching the next generation of magicians. Wonder, as he puts it, crushes language barriers and social anxiety, which makes his work a natural fit for corporate events and private celebrations.
