

Lioz Shem Tov

"Comedy magician"

Based in Las Vegas | Comedy Magic | Corporate Events

Biography

Comedy magician Lioz Shem Tov performs under the billing of a comedian with superpowers, and that promise sets the tone: an act where the laughter arrives first and the magic lands alongside it.

Shem Tov works live shows, private parties and corporate events, along with hosting, so an evening can be built around a full performance or shaped around him steering the room. Live audiences, private celebrations and company gatherings each get the same comic character at the centre of the show. It is comedy-led magic, made for guests who would rather be entertained than told how a trick works.
