

Lisa Krol

"Saskatchewan theatrical and paranormal magician"

Mentalism | Parlour Magic

Biography

Lisa Krol is a professional magician and university administrator from Saskatchewan, Canada, with an interest in the paranormal and all things magical, and her performances range from intimate close-up magic to grand theatrical productions.

Her work blends historical storytelling with atmospheric illusion: an invitation into the parlor of a forgotten age, where the veil between worlds grows thin and paranormal intrigue arrives with charming chills. Sophisticated close-up magic suits weddings, corporate events and celebrations, while her school shows are built to captivate young minds and inspire wonder in students of all ages. Working as Magic by Lisa, she shapes each booking around the occasion, from birthday parties to full theatrical productions, creating moments that challenge the eye and linger afterwards.
