

Lorenzo

"Children's puppet magician, Washington D.C. area"

Based in Glasgow

Biography

Also known as Larry Lipman, Lorenzo has been performing magic for children for more than two decades, with appearances at the White House Easter Egg Hunt, the Vice President's residence, the National Press Club and numerous embassies. He is a two-term president of the International Brotherhood of Magicians' Ring 50, the largest local magic club in the world.

In Lorenzo & Friends Puppet Magic Show, children play the principal roles alongside at least a half dozen puppets, and kids from 3 to 8 roll with belly laughter, amazement and shouts of excitement. Each summer brings a new show matched to the national library summer reading program, and there is a Wizard Magic Show, complete with magic potions, for young fans of wizards and witches. Lorenzo performs at day cares, preschools, summer camps, libraries, birthday parties and local events, as well as independent and assisted living facilities.
