

Losander

"Master levitation magic and elegant floating illusions"

Based in Las Vegas | Stage Illusion | Stage Magic

Biography

Dirk Losander performs professionally as Losander and specializes in levitation and animated-object magic. His official site presents him as the Master of the Art of Levitation, maintains an active catalogue of handcrafted effects and teaching material and publishes direct phone and email contacts through Losander Inc. A Las Vegas business address supports the location field. His signature work includes floating tables, glasses, bubbles and canes designed for both close conditions and large stages, while his Fool Us appearance provides a verified public performance link.
