"Edinburgh Fringe favourite bubble-ologist"

Kids & Family

Biography

Louis Pearl, the Amazing Bubble Man, has been thrilling audiences around the world for nearly 30 years with the art, magic, science and fun of bubbles. One of the world's leading bubble-ologists, he started out on a street corner in Berkeley, California, sold Tangent Toys in 2002, and has toured ever since, performing hundreds of shows every year.

Square bubbles, bubbles inside bubbles, fog-filled bubbles, giant bubbles, bubble volcanoes, tornadoes and trampolines, even people inside bubbles, arrive alongside comedy, artistry and plenty of audience participation, drawing shrieks of laughter and gasps of amazement from all ages. An Edinburgh Fringe Festival favorite who has sold out every year since 2007, Louis is at home in theatres, at festivals and at family celebrations.
