

Luc Langevin

"Illusionist, grand-scale shows across Québec"

Based in Montreal | Close-Up Magic | Corporate Events | Stage Illusion

Biography

Illusionist Luc Langevin executes grand illusions with finesse and precision, in a setting of light where the effects are breathtaking and moving at once and the music enchants and transports. His new large-scale show, directed by René Richard Cyr and presented by La Capitale assurance et services financiers, tours across Québec in 2025-2026.

Langevin marked ten years of career in 2019, and received the médaille de l'Assemblée nationale from Geneviève Guibault, member for Louis-Hébert, the riding where he grew up. On ICI TOU.tv he defies the impossible in Montréal alongside magic creator Stéphane Bourgoin, mentalist Viktor Vincent and illusionist Gus, and he films close-up magic videos in his workshop. He also performs corporate shows and conferences.
