Luka Vidovi

"Zagreb comedy magic speaking fluently to families, adults and companies"

Based in Zagreb | Comedy Magic | Stage Magic

Biography

Luka Vidovi is a Zagreb magician and trained actor who has worked professionally since selling out two early solo theatre shows in 2000. His official site offers an interactive all-ages family production and a separate comedy-magic show for adults, alongside corporate engagements for Croatian and international clients. Vidovi performs in Croatian, English and French, using humor, audience volunteers, positive energy and accessible visual effects to bridge cultures. He later brought that approach to Penn & Teller: Fool Us. A performer-controlled email provides a direct booking route, and Zagreb is explicitly documented as his lifelong professional base.
