

Magic Asian Man

"Magic, singing and storytelling from an exuberant California showman"

Close-Up Magic | Comedy Magic | Stage Illusion | Stage Magic

Biography

Naathan Phan performs as Magic Asian Man, combining sleight of hand with singing, stand-up, impressions, improvisation and personal storytelling. His current official site documents international headlining, regular Magic Castle appearances, film and national television credits and a 2026 residency aboard the Caribbean Princess. Phan's shows move easily between close-up skill and full-scale variety entertainment, with comedy connecting the forms. An upcoming-performance page and performer-controlled contact route support active bookings in Southern California, across the United States and internationally, though one exact current home city is not stated.
