

Magic by Marc

"Waldorf Astoria mentalist and magician"

Based in New York | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Marc began studying magic at the age of 9 and has been performing professionally since his late teens, building an act of magic, mind reading, comedy and audience participation that plays as good, clean fun for young and old alike.

His Mastermind Act, performed live for over 10 years, is an original, upbeat approach to mentalism - thought reading and the hidden powers of the mind, delivered stand-up or walk-around. He has performed for companies including Pepsi and Nabisco, at New York's Waldorf Astoria and Sirius Satellite, and at charity benefits for City Harvest NYC, Big Brothers/Big Sisters of NYC and the American Lung Association. The act suits private parties, corporate events, sweet 16s and trade shows, large and small.
