

Magic Mel

"Greater Toronto Area children's magician"

Based in Greater Toronto Area | Corporate Events | Kids & Family

Biography

Magic Mel is a female magician specializing in kids' parties and family-friendly shows - a fun, modern alternative to classic magic. Her Family Magic Show is built around self-empowerment, encouraging children to discover the magic that lives within them, and her warm, uplifting style keeps young audiences laughing and involved from the first trick onward.

Interactive throughout, her performances give guests the feeling of being part of the magic rather than simply watching it. Mel works across the Greater Toronto Area at birthdays, schools, libraries, fairs, stage shows, educational programs and family events, bringing upbeat energy for kids of all ages. Hosts can also count on clear communication about every detail and punctual arrival, making the day itself a stress-free one.
