

Magic Stu

"Award-winning Cardiff children's magician"

Based in Cardiff

Biography

Award-winning magician Magic Stu has over 20 years of experience creating laugh-out-loud, action-packed kids' parties across South Wales, working mainly the CF and NP postcode areas. His shows bring age-appropriate comedy, audience participation, and memorable magic to every celebration, and his popular "fluffy friends" turn the room into something children aged 4 and over can join in with rather than simply watch.

Every party is designed to be organiser-friendly, so parents can relax while the children have an unforgettable time. Magic Stu is a favourite for birthday parties, magic parties and christenings, travelling to Cardiff, Newport, Caerphilly, Barry, Penarth, Merthyr Tydfil, the Vale of Glamorgan and the valleys beyond.
