

Magic Suzy

"Award-winning Florida comedy magician"

Based in Tampa | Close-Up Magic | Comedy Magic

Biography

Two-time recipient of the Merlin Award for "Best Comedy Magician" (2024 & 2025), Magic Suzy brings high-energy, interactive comedy magic to events across Florida. That internationally recognized honor has also gone to Criss Angel, Siegfried & Roy, and David Copperfield.

Billed as Florida's top female magician, she builds a show around laughter, audience participation and magic that delights both kids and adults, with moments guests keep talking about long after the show is over. Alongside seated shows for family audiences and grown-up crowds alike, she works the room with strolling magic for cocktail parties - a good fit for company parties, celebrations and receptions where the entertainment needs to move among the guests.
