

Magic Workshops

"Magic Workshops"

Biography

This is a 6 day hands-on workshop in conjuring. The focus is on exploring the tools used when creating engaging performance pieces. There will be loads of exercises in misdirection, dramatic and deceptive structure, as well as in prop making. We will examine magic theories, apply them and discuss them in the context of performances. The course is suitable for those with moderate experience as well as experts. We will work from early morning to late night and you'll find it both challenging and rewarding.
