"Tulare County close-up magician"

Close-Up Magic | Corporate Events | Mentalism

Biography

Seen on KSEE 24 and CBS News Los Angeles, Magical Max is a young professional magician who works close to his audience, with sleight-of-hand and mind-reading that is clean, clever, and just chaotic enough to keep everyone guessing.

He is a Junior Member of the Academy of Magical Arts, home of the world-famous Magic Castle, and a member of the Society of American Magicians, and sharpens his craft at MagiFest in Columbus, Ohio, Magic Live in Las Vegas, and Tannen's Magic Camp in Pennsylvania, where he has learned from magicians including Asi Wind and Teller. Guests can gather at his table for an intimate performance, meet him during walk-around magic, or watch a stage show blending illusions, comedy and audience interaction.
