"Maine comedy magic engineered for non-believers and curious skeptics"

Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Peter Boie bills himself as the Magician for Non-Believers, combining original magic with a heavy dose of humor for skeptical modern audiences. His official biography says he tours theatres, colleges, companies and schools with three distinct programs: Magician for Non-Believers, the educational Engineering Wonder and the darker Summoning Spirits. Boie has appeared on Fool Us and publishes inventions for other magicians. A Maine business page provides direct phone and email, while flexible close-up, stage and team-oriented formats support events throughout New England and across the United States.
