

Magician Konrad

"Western Canada children's party magician"

Based in Edmonton | Kids & Family

Biography

With over 15 years of experience and performances at more than 867 shows across Western Canada and Europe, Magician Konrad has built a show around a simple idea: children should not just watch the magic, they should become part of it.

His parties are packed with laughter, interaction, and jaw-dropping magic tricks that keep the kids and adults mesmerized from start to finish, with the birthday child placed at the centre of the fun. Options range from a straightforward set that keeps a room of children happily entertained to a fully managed, stress-free party where everything is handled, leaving families free to enjoy the day with their guests. Konrad suits birthday parties and family celebrations of every kind.
