

Magician Trixy

"London close-up magician"

Based in London | Close-Up Magic | Corporate Events

Biography

Close-up specialist Magician Trixy is one of London's leading magicians, working with pens, coins and playing cards straight in front of the spectator. In an intimate setting the impossible unfolds inches away, delivered with a fun and friendly approach that creates a buzz around the room and leaves guests mesmerised.

Table magic at the guests' dinner table is a popular choice, and the act travels easily indoors or out; for larger rooms Trixy has a diverse range of humorous and jaw-dropping illusions suited to the stage. A typical performance runs around an hour, tailored to the occasion. Over the last fifteen years he has built an outstanding reputation throughout the UK, at corporate events and weddings, private gatherings and before theatre audiences.
