

Mago Mario León

"León children's party magician"

Based in León | Kids & Family | Stage Magic

Biography

Mago Mario León is the only magician in León, Guanajuato with a concept that is 100% for children, and the act is built that way from the first moment: effects that are very visual and funny, in a show that adapts to every age.

The birthday child is the star of the show, and astonishment and laughter become part of the party as magic and fun are combined throughout. Kids is designed for the very youngest guests, a magically unforgettable experience, while the newer show, Mr. Kids, makes boredom disappear altogether. Mario León is available for children's events, from birthday parties at home to celebrations that need a room full of small guests kept spellbound.
