

Mago Sebastian

"Family magician, mentalist and illusionist"

Mentalism | Stage Illusion

Biography

Mago Sebastian performs a magic show made for the whole family, one where the audience is the real protagonist and the wonder arrives with a good dose of irony. Micromagic, mentalism, illusions or a full stage show - the entertainment adapts to whatever the occasion calls for.

One host calls him "an animal of the stage", able on his own to entertain an entire hall; his magic leaves the smallest children open-mouthed yet still astonishes the grown-ups, and the magician is only one of the thousand characters he can play. Families who meet him at one children's birthday tend to book him for the next, and because his shows pull adults actively into the fun, they suit parties and grown-up events alike.
