

Mago Tom

"Barcelona close-up magician and mentalist"

Based in Barcelona | Close-Up Magic | Mentalism

Biography

Mago Tom is a magician and mentalist based in Barcelona whose work happens at arm's length: cards, mentalism and close-up magic experienced a few centimetres from the guests, for private events, companies and nights worth remembering.

Several days a week he is resident at Somnia Magic Bar, in the heart of Ciutat Vella, working table by table through the room - the setting where his close-up material lives most naturally. Beyond Barcelona he performs across Spain and France, in Spanish, French or English, at weddings, birthdays, team buildings and company presentations, with close-up magic shaped around the occasion rather than dropped into it.
