

Mandy Muden

"Britain's Got Talent semi-finalist, comedy magician"

Based in London | Close-Up Magic | Comedy Magic | Corporate Events | Parlour Magic

Biography

A 2018 semi-finalist on Britain's Got Talent, Mandy Muden is a magician who plays for laughs as much as for gasps, billing herself simply as an hilarious magician.

Her comedy magic works on tour and in public engagements, and is equally at home at booked private and corporate events, where the mix of sleight of hand and stand-up timing gives guests something to talk about long after the applause.
