

Marco Brüser

"Award-winning German comedy magician and pilot"

Based in Bremerhaven | Close-Up Magic | Comedy Magic

Biography

Marco Brüser is a working airline pilot, comedian and magician - an odd combination, as he cheerfully admits, and one no one else can match. Once named Germany's best young magician, he now blends modern, trick-rich sleight of hand with quick-witted stand-up drawn from fifteen years of flying: travelling, passengers and the dream of flight, told straight from the cockpit.

More than 25 years of stage experience lie behind the polished shows, wordy comedy and warm hosting, along with television experience. Marco Brüser offers full stage programmes, shorter show acts and close-up table magic performed inches from the guests, and can fill five minutes, a whole evening or an entire day - equally at home as the warm-up or the highlight of the night.
